

Chart 4:

Mundane Afflictions that are Temporarily Eliminated by Mundane Uninterrupted Paths

<i>The mundane uninterrupted path</i>	<i>Mundane afflictions that are <u>definitely</u> eliminated temporarily by this uninterrupted path</i>	<i>Mundane afflictions that <u>may be</u> eliminated irrevocably by this uninterrupted path</i>	<i>Mundane afflictions that are <u>definitely</u> eliminated irrevocably by this uninterrupted path unless they were eliminated irrevocably by a preceding uninterrupted path</i>	<i>Supramundane afflictions that are <u>definitely</u> eliminated irrevocably by this uninterrupted path</i>
Preparatory stage of the first concentration	The nine types of innate afflictions of the Desire Realm	-----	-----	-----
Preparatory stage of the second concentration	The nine types of innate afflictions of the First Concentration	-----	-----	-----
Preparatory stage of the third concentration	The nine types of innate afflictions of the Second Concentration	-----	-----	-----
Preparatory stage of the fourth concentration	The nine types of innate afflictions of the Third Concentration	-----	-----	-----
Preparatory stage of limitless space	The nine types of innate afflictions of the Fourth Concentration	-----	-----	-----
Preparatory stage of limitless consciousness	The nine types of innate afflictions of Limitless Space	-----	-----	-----
Preparatory stage of nothingness	The nine types of innate afflictions of Limitless Consciousness	-----	-----	-----
Preparatory stage of the peak of cyclic existence	The nine types of innate afflictions of Nothingness	-----	-----	-----

Chart 5:

Mundane and Supramundane Afflictions that are Irrevocably Eliminated by Supramundane Uninterrupted Paths

<i>The supramundane uninterrupted path of the path of meditation</i>	<i>Mundane afflictions that are <u>definitely</u> eliminated temporarily</i>	<i>Mundane afflictions that <u>may</u> be eliminated irrevocably by this uninterrupted path</i>	<i>Mundane afflictions that are <u>definitely</u> eliminated irrevocably by this uninterrupted path unless they were eliminated irrevocably by a preceding uninterrupted path</i>	<i>Supramundane afflictions that are <u>definitely</u> eliminated irrevocably by this uninterrupted path</i>
Small-small uninterrupted path	-----	The 2 nd to the 9 th type (medium-big to small-small) of mundane innate afflictions of any of the nine levels	The 1 st type (big-big) of mundane innate afflictions of any of the nine levels	The 1 st type (big-big) of supramundane innate afflictions of each of the nine levels
Medium-small uninterrupted path	-----	The 3 rd to the 9 th type (small-big to small-small) of mundane innate afflictions of any of the nine levels	The 2 nd type (medium-big) of mundane innate afflictions of any of the nine levels	The 2 nd type (medium-big) of supramundane innate afflictions of each of the nine levels
Big-small uninterrupted path	-----	The 4 th to the 9 th type (big-medium to small-small) of mundane innate afflictions of any of the nine levels	The 3 rd type (small-big) of mundane innate afflictions of any of the nine levels	The 3 rd type (small-big) of supramundane innate afflictions of each of the nine levels
Small-medium uninterrupted path	-----	The 5 th to the 9 th type (medium-medium to small-small) of mundane innate afflictions of any of the nine levels	The 4 th type (big-medium) of mundane innate afflictions of any of the nine levels	The 4 th type (big-medium) of supramundane innate afflictions of each of the nine levels
Medium-medium uninterrupted path	-----	The 6 th to the 9 th type (small-medium to small-small) of mundane innate afflictions of any of the nine levels	The 5 th type (medium-medium) of mundane innate afflictions of any of the nine levels	The 5 th type (medium-medium) of supramundane innate afflictions of each of the nine levels
Big-medium uninterrupted path	-----	The 7 th to the 9 th type (big-small to small-small) of mundane innate afflictions of any of the nine levels	The 6 th type (small-medium) of mundane innate afflictions of any of the nine levels	The 6 th type (small-medium) of supramundane innate afflictions of each of the nine levels
Small-big uninterrupted path	-----	The 8 th to the 9 th type (medium-small to small-small) of mundane innate afflictions of any of the nine levels	The 7 th type (big-small) of mundane innate afflictions of any of the nine levels	The 7 th type (big-small) of supramundane innate afflictions of each of the nine levels
Medium-big uninterrupted path	-----	The 9 th type (small-small) of mundane innate afflictions of any of the nine levels	The 8 th type (medium-small) of mundane innate afflictions of any of the nine levels	The 8 th type (medium-small) of supramundane innate afflictions of each of the nine levels
Big-big uninterrupted path	-----	-----	The 9 th type (small-small) of mundane innate afflictions of any of the nine levels	The 9 th type (small-small) of supramundane innate afflictions of each of the nine levels

Chart 6:

Mundane Uninterrupted Paths that Temporarily Eliminate Mundane Innate Afflictions

Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Desire Realm	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the First Concentration Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Second Concentration Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Third Concentration Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Fourth Concentration Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Limitless Space Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Limitless Consciousness Level	Nine types (big-big, medium-big, small-big, etc.) of mundane innate afflictions of the Nothingness Level	Nine types (big-big, medium-big, small-big, etc.) of innate afflictions of the Peak of Cyclic Existence Level
Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the first concentration	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the second concentration	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the third concentration	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the fourth concentration	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the limitless space absorption	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the limitless consciousness absorption	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the nothingness absorption	Temporarily eliminated by the mundane uninterrupted paths of the preparatory stage of the peak of cyclic existence absorption	Can only be irrevocably eliminated by <i>supramundane</i> uninterrupted paths, as there are no mundane paths that can temporarily eliminate those afflictions

Chart 7:

Supramundane Uninterrupted Paths that Irrevocably Eliminate Supramundane Innate Afflictions

(1) Big-big/1st type of mundane innate afflictions of any of the nine levels	(2) Medium-big/2nd type of mundane innate afflictions of any of the nine levels	(3) Small-big/3rd type of mundane innate afflictions of any of the nine levels	(4) Big-medium/4th type of mundane innate afflictions of any of the nine levels	(5) Medium-medium/5th type of mundane innate afflictions of any of the nine levels	(6) Small-medium/6th type of mundane innate afflictions of any of the nine levels	(7) Big-small/7th type of mundane innate afflictions of any of the nine levels	(8) Medium-small/8th type of mundane innate afflictions of any of the nine levels	(9) Small-small/9th type of mundane innate afflictions of any of the nine levels
They are irrevocably eliminated by the small-small (1 st type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the medium-small (2 nd type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the big-small (3 rd type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-medium (4 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the medium-medium (5 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the big-medium (6 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-big (7 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the medium-big (8 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the big-big (9 th type) supramundane uninterrupted path of the path of meditation

Chart 8:

Supramundane Uninterrupted Paths that Irrevocably Eliminate Mundane Innate Afflictions

(1) Big-big/1 st type of mundane innate afflictions of any of the nine levels	(2) Medium-big/2 nd type of mundane innate afflictions of any of the nine levels	(3) Small-big/3 rd type of mundane innate afflictions of any of the nine levels	(4) Big-medium/4 th type of mundane innate afflictions of any of the nine levels	(5) Medium-medium/5 th type of mundane innate afflictions of any of the nine levels	(6) Small-medium/6 th type of mundane innate afflictions of any of the nine levels	(7) Big-small/7 th type of mundane innate afflictions of any of the nine levels	(8) Medium-small/8 th type of mundane innate afflictions of any of the nine levels	(9) Small-small/9 th type of mundane innate afflictions of any of the nine levels
They are irrevocably eliminated by the small-small (1 st type) supra-mundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type) or the medium-small (2 nd type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), or big-small (3 rd type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), or small-medium (4 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), small-medium (4 th type), or medium-medium (5 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), small-medium (4 th type), medium-medium (5 th type), or the big-medium (6 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), small-medium (4 th type), medium-medium (5 th type), big-medium (6 th type), or small-big (7 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), small-medium (4 th type), medium-medium (5 th type), big-medium (6 th type), small-big (7 th type), or medium-big (8 th type) supramundane uninterrupted path of the path of meditation	They are irrevocably eliminated by the small-small (1 st type), medium-small (2 nd type), big-small (3 rd type), small-medium (4 th type), medium-medium (5 th type), big-medium (6 th type), small-big (7 th type), medium-big (8 th type), or big-big (9 th type) supramundane uninterrupted path of the path of meditation
